FGA AirBag / Pit Fundraiser – JUNE 19th

Hello Friends, Family, and Sponsors!

With the fortune of having had the opportunity to serve the Flathead Valley for the past 30 years, at Flathead Gymnastics Academy, we are thankful and proud to celebrate our 1 year anniversary at our new facility! In a year of much uncertainty, our new facility has provided a steady environment for our student population (around 600) and staff alike, and it has allowed for growth and development with the accessibility to more gym space and equipment, thus allowing more students to participate!

As we continue to grow and develop (both gymnastics and life skills through our wonderful sport), the same goes for our facility here at FGA. Our goal is to continue to develop our facility to aid our gymnasts and ninjas, big and small, to play and train their way to their dreams! It is now time to launch our BagJump Pit Project that has been in the works here at FGA for over a year! Originally planned for our 2020 facility renovation, our BagJump Project was put on hold to keep up with demands of the pandemic.

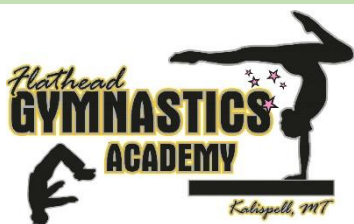

With years of planning and research in the books, we are ready to launch the construction of our BagJump Pit Project, a state of art training tool that will increase both longevity of participation for students as well as acquisition of higher level skills. We thank you for your consideration in

partnering with us in this exciting new adventure! Our GOAL is to raise \$20,000.00 (11% of the total cost) or more- a small portion of the total expense, but a HUGE help!

Since David and Keeley's purchase of the gym in 2011, this will be FGA's first ever fundraiser. Our competitive team athletes will be selling sponsorships to family, friends, and businesses to earn a base sponsorship of \$100, \$50 or a donation minimum of \$15 in order to compete in a sanctioned meet that FGA is hosting on Saturday, June 19th. There will be two level 10 rated judges present to score routines, whether athletes compete in one event or in the All-Around (Vault, Bars, Beam, and Floor). The athletes can sell to as many sponsors and donors as they wish, and all are welcome to come and watch them in the competition.

If you would like to be involved or help FGA reach its goal, feel free to stop by the front desk to get more information!

FGA Coach of the Month: Coach Bekah!!

Hardworking, knowledgeable, reliable, fun & passionate are just a few of the characteristics that Coach Bekah brings to each of her classes and athletes! We are so thankful for her kindness & sincerity with her students and for the intelligence and dedication that she brings to our staff and profession- we love you, Coach Bekah!
