

FGA at Western National Championships 2022

The weekend of May 6-8th, FGA had the incredible opportunity for both of our level 9 athletes to attend the 2022 Western National Championships: Lucy and Maya. In order to qualify for this meet, they had to achieve a high scoring all-around as well as a top placement at the Regional Competition. At Western's, our Senior, Lucy Toelcke, placed 1st

on the balance beam and 2nd in the All-Around. Her teammate, Maya Schroeder, placed 2nd on the balance beam. It was an incredible experience for them to have competed and placed so well at a national level competition. Congratulations, Goo and Mymy. We are so proud of you!!
